Notes
- Data source: Los Angeles Homeless Services Authority, LAHSA.org.
- Youth Count numbers, DPSS issued motel vouchers, and domestic violence shelters are reported at the SPA level rather than at the city level.
- In 2019, LAHSA changed the city/neighborhood boundaries then retroactively applied these to the 2016-2018 Counts. The table reflects the original Count results reported for 2018, and hence may be different from LAHSA's Community data.
