Notes

1. SBCEH rounds the component elements of the Homeless Count differently than LAHSA so the overall community total may not match.
2. In 2019, LAHSA changed the city/neighborhood boundaries and then retroactively applied these to the 2016-2018 Counts. The table and graph reflect the original Count results reported for these years and hence may be different from LAHSA's Community data.
3. Some data that LAHSA reported at the SPA Level is not included in this report. This includes: Domestic Violence Shelters and Youth Count results.
