<ul style="list-style-type: none">• HUD standard data• Consent/privacy• Assessments	<ul style="list-style-type: none">• Custom profile and enrollment data• Outreach contact locations• Client contact information• Uploaded documentation	<ul style="list-style-type: none">• Services that were not already migrated

Updated CES Packets

Updated CES paper packets were posted on March 1st 2018

- www.lahsa.org/hmis > Documents

Updates included:

- New ADA questions required for matches to housing
- New housing preference questions to assist with family matching

More updates coming in May 2018:

- Updated client consent form
- Updated VA release of information for veterans
- New Justice SPDAT assessment forms

New User Agreement Process

- Agreements previously tracked on the LAHSA website
- Beginning in May 2018, agreements will be signed within Clarity on first log in (via e-signature)
- When updates are made to the user agreement language, Clarity will prompt users to re-accept
- Digital versions of the signed agreements are stored and available for download

Capacity Building Updates

Technical Assistance

- January of 2018, LAHSA released the joint Organizational Capacity Building Technical Assistance Application (RFP) in collaboration with Home For Good’s Funder’s Collaborative
- Technical assistance is available to non-profit service providers on a rolling basis, as funding is available

Technical Assistance Options

Option A: This option is best suited for organizations that have not yet assessed internal capacity needs, and would like to receive a formal assessment

Option B: This option is best suited for organizations that have already identified a technical assistance project resulting from recent comprehensive capacity needs assessment or other work with a consultant within the past three (3) years

Technical Assistance- Areas of Focus
